COMMENTARY

The Seilern World Growth USD U I share class was up +6.5% in July, outperforming the MSCI World TR by +1.7%. Year-to-date, the fund is up +7.5%, outperforming its benchmark by +8.8%. Idexx Labs was the best performer, rising +20.5%. The company reported positive organic sales growth and strong margin improvement in the second quarter, which led to earnings coming in 48% ahead of consensus. West Pharmaceutical Services was the second best performer, rising +18.4%. The company reported a strong set of second quarter results, recording 14% organic sales growth and raising its 2020 earnings guidance by c.30%. ADP was the worst performer, falling -10.7%. The company published fourth quarter results largely ahead of consensus, but with a 2021 outlook which disappointed on profit margins as lower employment and interest rates come at high decremental margin. Hermès was the second worst performer, falling -7.7%. After a resilient performance during the first quarter, the company reported second quarter sales numbers below consensus estimates, as the majority of its retail doors remain shut.

Past performance is not a reliable indicator of future results. Investments in the fund are subject to certain risks and the value of an investment can go down as well as up and investors may not get back their original amount invested. The performance calculation is based on USD. If the currency in which the past performance is displayed differs from the currency of the country in which you reside, then you should be aware that due to exchange rate fluctuations the performance shown may increase or decrease if converted into your local currency.
