This Offering Circular supersedes any previous Offering Circular. Any Notes (as defined below) issued under the Programme on or after the date of this Offering Circular are issued subject to the provisions herein. This Offering Circular does not affect any Notes already issued.

Under the Programme, the Issuer may from time to time issue notes (the "Notes") denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below).

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €30,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to any increase as described herein.

The Notes may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional Dealer appointed under the Programme from time to time by the Issuer (each a "Dealer" and together the "Dealers"), which appointment may be for a specific issue or on an ongoing basis. References in this Offering Circular to the "relevant Dealer" shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see "Risk Factors".

Application has been made to the Irish Financial Services Regulatory Authority (the "Financial Regulator"), as competent authority under Directive 2003/71/EC, for the Offering Circular to be approved. Such approval relates only to Notes which are to be admitted to trading on the regulated market of the Irish Stock Exchange Limited (the "Irish Stock Exchange") or other regulated markets for the purposes of Directive 93/22/EEC or which are to be offered to the public in any Member State of the European Economic Area. Application has also been made to the Irish Stock Exchange for Notes issued under the Programme for the period of 12 months from the date hereof to be admitted to the Official List (the "Irish Official List") and trading on its regulated market.

References in this Offering Circular to Notes being listed (and all related references) shall mean that such Notes have been admitted to trading on the Irish Stock Exchange and admitted to the Irish Official List. The Irish Official List is a regulated market for the purposes of Directive 93/22/EEC (the "Investment Services Directive").

The Financial Regulator may, at the request of the Issuer, send to the competent authority of another European Economic Area Member State (i) a copy of the Offering Circular; (ii) a certificate of approval pursuant to Article 18 of Directive 2003/71/EC (the "Prospectus Directive") attesting that the Offering Circular has been drawn up in accordance with the Prospectus Directive (an "Attestation Certificate"); and (iii) if so required by such competent authority, a translation of the summary set out on pages 4 to 7 of this Offering Circular. At the date hereof, the Issuer has requested the Financial Regulator to send an Attestation Certificate and copy of the Offering Circular to the United Kingdom Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in the final terms document (the "Final Terms") which, with respect to Notes to be admitted to the UKLA Official List and admitted to trading on the London Stock Exchange's Gilt Edged and Fixed Interest Market, will be delivered to the UK Listing Authority and the London Stock Exchange and which, with respect to Notes to be admitted to the Irish Official List, will be delivered to the Irish Stock Exchange, in each case on or before the date of issue of the Notes of such Tranche.

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue unlisted Notes and/or Notes not admitted to trading on any market.

The Issuer may agree with any Dealer and the Trustee (as defined herein) that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event a supplemental Offering Circular, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. Where a claim relating to information contained in this Offering Circular is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Offering Circular before legal proceedings are initiated. RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Offering Circular and reach their own views prior to making any investment decision.

Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme

The Group's results may be adversely affected by general economic conditions and other business conditions

The Issuer's results are influenced by general economic and other business conditions. If there is a slowdown in the global and local economies in which the Issuer operates, borrowing by customers may decrease. This would have an adverse effect on the Issuer's ability to generate revenue through the disbursement of new loans.

The Issuer's credit ratings may not reflect all risks of an investment in the Notes

The credit ratings of the Programme may not reflect the potential impact of all risks related to structure and other factors on any trading market. In addition, real or anticipated changes in the Issuer's credit ratings will generally affect any trading market for, or trading value of, the securities.

Any decline in the Issuer's credit rating may affect the market value of the Issuer's securities

The Issuer's credit ratings are an assessment of its ability to pay obligations, including those on any securities issued. Consequently, actual or anticipated declines in the Issuer's credit ratings may affect the market value of the Issuer's securities.

The Issuer's hedging strategies may not prevent losses

The Issuer is continually managing its interest rate, currency and refinancing risks. If any of the variety of instruments and strategies the Issuer uses to hedge its exposure to these various types of risk is not effective, the Issuer may incur losses. The Issuer may not be able to obtain economically efficient hedging opportunities that will enable it to carry on its present policies with respect to new assets and liabilities.

The Issuer's derivatives counterparties may not honour their contracts

The Issuer uses derivatives to manage its market risks. These derivatives are negotiated and transacted with a range of counterparties. While to date there has not been a situation in which a derivative counterparty of the Issuer has not honoured its obligations under the derivative agreement, a failure by one or more counterparties to honour the terms of its derivatives contract with the Issuer could have an adverse effect on the business, results of operations and financial condition of the Issuer.

Increasing competition may adversely affect the Issuer's income and business

Competition in the Issuer's business is based on name recognition, service, product and price. The Issuer competes with a large number of other credit institutions, including domestic and foreign banks. Some of these institutions offer a broader array of products, have more competitive pricing and may have greater financial resources with which to compete. Increasing competition may have a negative effect on the Issuer's results if the Issuer is unable to match the products and services of its competitors.

Systemic risk could adversely affect the Issuer's business

The credit environment can be adversely affected by instances of fraud and default. Concerns about, or a default by, one institution could lead to liquidity problems or losses or defaults by other institutions because the commercial soundness of many financial institutions may be closely related as a result of credit, trading, clearing or other relationships between institutions. This risk is sometimes referred to as "systemic risk" and

may adversely affect financial intermediaries, such as clearing agencies, clearing houses, banks, securities firms and exchanges with which the Issuer interacts on a daily basis and therefore could adversely affect the Issuer.

The Issuer conducts its businesses subject to regulation and associated regulatory risks, including the effects of changes in the laws, regulations, policies and interpretations in the markets in which it operates

Changes in government policy, legislation or regulatory interpretation applying to the financial services industry in the markets in which the Issuer operates may adversely affect its product range, distribution channels, capital requirements and, consequently, reported results and financing requirements. These changes include possible changes in government and regulatory policies, the regulation of selling practices and solvency and capital requirements.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Offering Circular or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). In addition, the Issuer may issue Notes with principal or interest payable in one or

more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The Issuer's obligations under Subordinated Notes are subordinated

The Issuer's obligations under Dated Subordinated Notes will be unsecured and subordinated and will rank junior in priority of payment in the manner provided in the Trust Deed to the claims of all depositors and all other unsubordinated conditions of the Issuer. The claims of the holders of Undated Subordinated Notes are subordinated to the claims of Senior Creditors of the Issuer in that payments of principal and interest are

conditional upon the Issuer being solvent at the time of payment by the Issuer and that no payment of principal and interest shall be made unless the Issuer could make such payment and still be solvent immediately thereafter. "Senior Creditors" means all creditors of the Issuer who are depositors or other unsubordinated creditors of the Issuer or creditors who are subordinated creditors of the Issuer (including the holders of Dated Subordinated Notes) other than those whose claims rank or are expected to rank *pari passu* with or junior to the claims of the holders of Undated Subordinated Notes (if any) (whether only in the event of a winding-up of the Issuer or otherwise).

Under certain conditions, interest payments under Undated Subordinated Notes must be deferred

If the Issuer is unable to satisfy the solvency condition as set out in Condition 2(c) of the Notes, then the Issuer must defer the payment of interest on Undated Subordinated Notes until such time as the Issuer is able to make payment of principal or interest and still be solvent immediately thereafter.

The Issuer will pay all deferred interest, and interest on that deferred interest, on all Undated Subordinated Notes as soon as, after giving effect to such payments, it no longer would be required to defer interest under the terms described above. The Issuer will make this payment in respect of all Undated Subordinated Notes on the next scheduled Interest Payment Date that occurs in respect of any issue of Undated Subordinated Notes, unless it elects to make the payment earlier.

In no event will holders of Undated Subordinated Notes be able to accelerate the maturity of their Undated Subordinated Notes; such holders will have claims only for amounts then due and payable on their Undated Subordinated Notes. After the Issuer has fully paid all deferred interest on any issue of Undated Subordinated Notes and if that issue of Undated Subordinated Notes remains outstanding, future interest payments on that issue of Undated Subordinated Notes will be subject to further deferral as described above.

Any deferral of interest payments will likely have an adverse effect on the market price of the Undated Subordinated Notes. In addition, as a result of the interest deferral provision of the Undated Subordinated Notes, the market price of the Undated Subordinated Notes may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in the Issuer's financial condition.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers, authorisation and substitution

The Trust Deed contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes, the Receipts, the Coupons or any of the provisions of the Trust Deed which in the opinion of the Trustee is not materially prejudicial to the Noteholders or (ii) any modification of any of these Conditions or any provision of the Notes, the Receipts, the Coupons or the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of law or (iii) the substitution of another company as principal debtor under any Notes in place of the Issuer, in the circumstances described in Condition 14(iii) of the conditions of the Notes.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have Specified Denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Change of law

The conditions of the Notes are based on English (or, in the case of the subordination provisions, Irish) law in effect as at the date of this Offering Circular. No assurance can be given as to the impact of any possible judicial decision or change to English or Irish law or administrative practice after the date of this Offering Circular.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

DOCUMENTS INCORPORATED BY REFERENCE

The following documents which have previously been published or are published simultaneously with this Offering Circular and have been approved by the Irish Stock Exchange or filed with it shall be deemed to be incorporated in, and to form part of, this Offering Circular:

- (a) the auditors report and the audited consolidated and non-consolidated annual financial statements of the Issuer for the financial years ended 30th September, 2005 and 30th September, 2006 and the interim consolidated financial statements of the Issuer for the six months ended 31st March, 2007; and
- (b) memorandum and articles of association of the Issuer,

save that any statement contained herein or in a document which is deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purpose of this Offering Circular to the extent that a statement contained in any document which is subsequently incorporated by reference herein by way of a supplement prepared in accordance with Article 16 of the Prospectus Directive modifies or supersedes such earlier statement (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Offering Circular.

The documents incorporated by reference have been filed with the Irish Stock Exchange in accordance with Titles IV and V of Directive 2001/34/EC (the "Combined Admissions and Reporting Directive").

Copies of documents incorporated by reference in this Offering Circular can be obtained from the registered office of the Issuer and from the specified offices of the Paying Agents for the time being in London and Dublin. Written requests for such documents should be directed to the Issuer at its office set out at the end of this Offering Circular. In addition, such documents will be available from the principal office in Ireland of J&E Davy in its capacity as listing agent for the Notes listed on the Irish Official List.

The Issuer will, in the event of any significant new factor, material mistake or inaccuracy relating to information included in this Offering Circular which is capable of affecting the assessment of any Notes, prepare a supplement to this Offering Circular or publish a new Offering Circular for use in connection with any subsequent issue of Notes. The Issuer has undertaken to the Dealers in the Programme Agreement (as defined in "Subscription and Sale") that it will comply with section 87G of the Financial Services and Markets Act 2000 (the "FSMA").

FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will be initially represented by a temporary global note (a "Temporary Global Note") or, if so specified in the applicable Final Terms, a permanent global note (a "Permanent Global Note", and each a "Global Note") which, in either case, will:

- (i) if the Global Note is intended to be issued in new global note ("NGN") form, as stated in the applicable Final Terms, be delivered on or prior to the issue date of the Tranche to a common safekeeper (the "Common Safekeeper") for Euroclear Bank S.A./N.V. ("Euroclear") and Clearstream Banking, société anonyme ("Clearstream, Luxembourg"); and
- (ii) if the Global Note is not intended to be issued in NGN form, as stated in the applicable Final Terms, be delivered on or prior to the issue date of the Tranche to a common depositary (the "Common Depositary") for Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent.

On and after the date (the "Exchange Date") which is 40 days after a Temporary Global Note is issued, interests in the Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a Permanent Global Note of the same Series or (ii) definitive Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note, if the Permanent Global Note is not issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, receipts, interest coupons and talons attached either (i) upon not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Agent as described therein or (ii) only upon the occurrence of an Exchange Event. Notes which have Specified Denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of a smaller amount will be exchangeable for definitive Notes only upon an Exchange Event. For these purposes, "Exchange Event" means that (i) an Event of Default (as defined in Condition 8) has occurred and is continuing or (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available. The Issuer will promptly give notice to the Noteholders in accordance with Condition 13 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) or the Trustee may give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Agent.

The following legend will appear on all Notes which have an original maturity of more than 365 days and on all receipts and interest coupons relating to such Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Temporary Global Note or a Permanent Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under "Terms and Conditions of the Notes"), the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as shall be approved by the Issuer, the Agent and the Trustee.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" above for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by Anglo Irish Bank Corporation plc (the "Issuer") constituted by a Trust Deed (such Trust Deed as amended and restated by a First Supplemental Trust Deed dated 15th August, 2002, a Second Supplemental Trust Deed dated 15th July, 2005, a Third Supplemental Trust Deed dated 26th May, 2006, a Fourth Supplemental Trust Deed dated 8th March, 2007, a Fifth Supplemental Trust Deed dated 8th March, 2007 and a Sixth Supplemental Trust Deed dated 24th May, 2007, in each case between Deutsche Trustee Company Limited (the "Trustee", which expression shall include any successor trustee) and the Issuer and as modified and/or supplemented and/or restated from time to time, the "Trust Deed") dated 15th August, 2001 and made between the Issuer and the Trustee for the holders of such Notes.

References herein to the "Notes" shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global Note (a "Global Note"), units of each Specified Denomination in the Specified Currency;
- (ii) any Global Note; and
- (iii) any definitive Notes issued in exchange for a Global Note.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of an amended and restated Agency Agreement (such Agency Agreement as further amended and/or supplemented and/or restated from time to time, the "Agency Agreement") dated 24th May, 2007 and made between the Issuer, Deutsche Bank AG, London Branch as issuing and principal paying agent and agent bank (the "Agent", which expression shall include any successor agent), the other paying agent named therein (together with the Agent, unless the content otherwise requires, the "Paying Agents", which expression shall include any additional or successor paying agents) and the Trustee.

Interest bearing definitive Notes have interest coupons ("Coupons") and, if indicated in the applicable Final Terms, talons for further Coupons ("Talons") attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Notes repayable in instalments have receipts ("Receipts") for the payment of the instalments of principal (other than the final instalment) attached on issue. Global Notes do not have Receipts, Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which supplement these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of this Note. References to the "applicable Final Terms" are to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The Trustee acts for the benefit of the holders for the time being of the Notes (the "Noteholders", which expression shall, in relation to any Notes represented by a Global Note, be construed as provided below), the holders of the Receipts (the "Receiptholders") and the holders of the Coupons (the "Couponholders", which expression shall, unless the context otherwise requires, include the holders of the Talons), in accordance with the provisions of the Trust Deed.

Any reference to "Noteholders" or "holders" in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a global Note, be construed as provided below. Any reference herein to "Receiptholders" shall mean the holders of the Receipts and any reference herein to "Couponholders" shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, "Tranche" means Notes which are identical in all respects (including as to listing and admission to trading) and "Series" means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the principal London office for the time being of the Trustee (being at 24th May, 2007 at Winchester House, 1 Great Winchester Street, London EC2N 2DB) and at the specified office of each of the Paying Agents. Copies of the applicable Final Terms are available for viewing at, and copies may be obtained from, the offices of the Agent save that, if this Note is neither listed on a stock exchange nor admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive, the applicable Final Terms will only be obtainable by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the Issuer and the Trustee or, as the case may be, the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, are bound by, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement and the applicable Final Terms which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed and the Agency Agreement.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Trust Deed and the Agency Agreement, the Trust Deed will prevail and, in the event of inconsistency between the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

1. FORM, DENOMINATION AND TITLE

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, a Dual Currency Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

This Note may be an Index Linked Redemption Note, an Instalment Note, a Dual Currency Redemption Note, a Partly Paid Note or a combination of any of the foregoing, depending on the Redemption/Payment Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Notes, Receipts and Coupons will pass by delivery. The Issuer, the Trustee and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank S.A./N.V. ("Euroclear") and/or Clearstream Banking, société anonyme ("Clearstream, Luxembourg"), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note (or the Trustee in accordance with the Trust Deed) shall be treated by the Issuer, the Trustee and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions "Noteholder" and "holder of Notes" and related expressions shall be

construed accordingly. Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

References in these Terms and Conditions to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as otherwise approved by the Issuer, the Agent and the Trustee.

2. STATUS OF SENIOR NOTES, DATED SUBORDINATED NOTES AND UNDATED SUBORDINATED NOTES

(a) Status of Senior Notes

The Senior Notes and any relative Receipts and Coupons are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu*, without any preference among themselves, and (subject as aforesaid and save for certain obligations preferred by law) equally with all other outstanding unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

(b) Status of Dated Subordinated Notes

Dated Subordinated Notes

- (A) The Dated Subordinated Notes and any relative Receipts and Coupons constitute direct, unsecured and, in accordance with sub-paragraph (B) below, subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves.
- (B) The claims of the holders of Dated Subordinated Notes and any relative Receipts and Coupons will, in the event of the winding-up of the Issuer, be subordinated in right of payment in the manner provided in the Trust Deed to the claims of depositors and all other unsubordinated creditors of the Issuer and will rank, in the event of the winding-up of the Issuer, at least *pari passu* in right of payment with all other Subordinated Indebtedness, present and future, of the Issuer.

For the purpose of this sub-paragraph (B), "Subordinated Indebtedness" means all indebtedness of the Issuer which is subordinated, in the event of the winding-up of the Issuer, in right of payment to the claims of depositors and other unsubordinated creditors of the Issuer and for this purpose indebtedness shall include all liabilities, whether actual or contingent.

(c) Status of Undated Subordinated Notes

(1) Undated Subordinated Notes

- (A) The Undated Subordinated Notes and any relative Coupons constitute direct, unsecured and, in accordance with the paragraphs below, subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves.
- (B) The claims of the holders of Undated Subordinated Notes and any relative Coupons are subordinated to the claims of Senior Creditors (as defined below) of the Issuer in that payments of principal and interest in respect of the Undated Subordinated Notes and any relative Coupons are conditional upon the Issuer being solvent (as defined below) at the time of payment by the Issuer and in that no principal or interest shall be payable in respect of Undated Subordinated Notes or any relative Coupons except to the extent that the Issuer could make such payment and still be solvent immediately thereafter. For this purpose, the Issuer shall be considered to be solvent if:

- (i) it is able to pay its debts to Senior Creditors as they fall due; and
- (ii) its Assets exceed its Liabilities (each as defined below) to Senior Creditors.

A report as to the solvency of the Issuer by (a) two directors of the Issuer or, in certain circumstances as provided in the Trust Deed, the Auditors (as defined in the Trust Deed) or (b) if the Issuer is being wound up, its liquidator or (c) if the Issuer is under examination as provided for by the Companies (Amendment) Act, 1990 of Ireland, its examiner shall, in each case in the absence of manifest error, be treated and accepted by the Issuer, the Trustee and the holders of Undated Subordinated Notes and any relative Coupons as correct and sufficient evidence thereof.

For the purpose of this sub-paragraph (B):

"Senior Creditors" means (1) all creditors of the Issuer who are depositors or other unsubordinated creditors of the Issuer or (2) creditors who are subordinated creditors of the Issuer (including the holders

of Dated Subordinated Notes and any relative Coupons) other than those whose claims rank, or are expressed to rank, *pari passu* with or junior to the claims of the holders of Undated Subordinated Notes and the Coupons relating thereto (if any) (whether only in the event of a winding-up of the Issuer or otherwise);

“Assets” means the total consolidated gross assets of the Issuer; and

“Liabilities” means the total consolidated gross liabilities of the Issuer, all as shown by the latest published audited balance sheet of the Issuer but adjusted for contingencies and for subsequent events in such manner and to such extent as such directors, Auditors, liquidator or examiner, as the case may be, may determine to be appropriate.

- (C) Interest on Undated Subordinated Notes shall accrue from day to day and shall (subject to sub-paragraph (B) above) be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the interest period ending on (but excluding) such Compulsory Interest Payment Date. On any Optional Interest Payment Date (as defined below) there may be paid (if the Issuer so elects and gives not less than 30 days’ notice of such election to the holders of Undated Subordinated Notes in accordance with Condition 13 but subject to sub-paragraph (B) above) the interest accrued in the interest period ending on (but excluding) such Optional Interest Payment Date (an “Accrual Period”) but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose; and any interest not so paid shall, so long as the same remains unpaid, constitute “Arrears of Interest”. The Issuer may at its option (after giving notice to the holders of Undated Subordinated Notes in accordance with Condition 13 but subject to sub-paragraph (B) above) at any time pay all or part of the Arrears of Interest (being, if part only, the whole of the interest accrued on all the Undated Subordinated Notes during any one or more Accrual Period(s)) but so that, in the case of any such partial payment, the interest accrued during any Accrual Period shall not be paid prior to that accrued during any earlier Accrual Period. All Arrears of Interest shall (subject to sub-paragraphs (B) and (D) of this Condition 2(c)), become due in full on whichever is the earliest of (i) the date on which any dividend or other distribution is next declared, paid or made on any class of stock or share capital of the Issuer (ii) the date set for any repayment permitted under paragraph (b) or (c) of Condition 5 and (iii) the commencement of winding-up of the Issuer. If notice is given by the Issuer of its intention to pay all or part of the Arrears of Interest, the Issuer shall be obliged (subject to sub-paragraph (B) above) to do so upon the expiry of such notice. Interest in respect of which the condition referred to in sub-paragraph (B) above is not satisfied on the Interest Date relating thereto shall, so long as the same remains unpaid, also constitute Arrears of Interest for the purposes of the remainder of these Terms and Conditions. Neither Arrears of Interest nor any interest due but unpaid shall bear interest.
- (D) If, otherwise than for the purposes of a Permitted Reorganisation (as defined in Condition 8) or for the purpose of a reconstruction or amalgamation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders, an order is made or an effective resolution is passed for the winding-up in Ireland of the Issuer, the Issuer shall, in lieu of any other payment on the Undated Subordinated Notes and any relative Coupons representing principal, accrued interest, Arrears of Interest and/or interest due but unpaid, but subject to the condition set out in sub-paragraph (B) above, be obliged to pay, in respect of the Undated Subordinated Notes and such Coupons, such amounts as would have been payable if the holders of the Undated Subordinated Notes and such Coupons had, on the day preceding the commencement of such winding-up, become holders of preference stock or shares in the capital of the Issuer forming or being part of a class having a preferential right in the winding-up over the holders of all other classes of stock or shares in the capital of the Issuer and entitled to receive in such winding-up an amount equal to the Early Redemption Amount (as defined in Condition 5(e)) of the Undated Subordinated Notes together with interest (if any) accrued since the Interest Date next preceding or coinciding with the commencement of such winding-up, such Arrears of Interest and/or, as the case may be, such interest due but unpaid.

(2) Definitions

For the purposes of this paragraph (c):

“Compulsory Interest Payment Date” means any Interest Date in relation to which any dividend or other distribution (as defined in the Trust Deed) has been declared, paid or made on any class of the stock or share capital of the Issuer in the immediately preceding interest period;

“Interest Date” means an Interest Payment Date;

“Interest Period” means the period from (and including) one Interest Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Date; and

“Optional Interest Payment Date” means any Interest Date other than a Compulsory Interest Payment Date.

N.B. The obligations of the Issuer in respect of any Undated Subordinated Notes issued by it and any relative Coupons are conditional upon the Issuer being solvent immediately before and after payment by the Issuer. If this condition is not satisfied, any amounts which might otherwise have been allocated in or towards payments of principal and interest in respect of the Undated Subordinated Notes and any relative Coupons may be used to absorb losses.

(d) Set-off

Subject to applicable law, no holder of a Subordinated Note, or a Receipt or Coupon relating thereto (if any) may exercise or claim any right of set-off in respect of any amount owed by it to the Issuer arising under or in connection with the Subordinated Notes and the Receipts and Coupons relating thereto (if any) and each holder of a Subordinated Note or a Receipt or Coupon relating thereto (if any) shall, by virtue of its subscription, purchase or holding of any such Note, Receipt or Coupon, be deemed to have waived all such rights of set-off.

3. INTEREST

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear (subject, in the case of Undated Subordinated Notes, to the provisions of Condition 2(c)) on the Interest Payment Date(s) in each year and (except in the case of an Undated Subordinated Note) up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

In these Terms and Conditions:

“Determination Period” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent; and

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 3(a):

- (i) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Index Linked Interest Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear (subject, in the case of Undated Subordinated Notes, to the provisions of Condition 2(c)) on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions other than with respect to Condition 2(c), mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 3(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which

event such Interest Payment Date shall be brought forward to the immediately preceding Business Day;
or

- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, "Business Day" means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne and Wellington, respectively) or (2) in relation to any sum payable in euro, a day on which Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the "TARGET System") is open.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "ISDA Definitions") and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate ("LIBOR") or on the Euro-zone inter-bank offered rate ("EURIBOR"), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity" and "Reset Date" have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) Determination of Rate of Interest and calculation of Interest Amounts

The Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent will calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

"Day Count Fraction" means, in respect of the calculation of an amount of interest in accordance with this Condition 3(b):

- (i) if "Actual/365" or "Actual/Actual" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if "Actual/365 (Sterling)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period is the 31st day of a month but the

first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and any stock exchange or other relevant authority on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression “London Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vi) Determination or Calculation by Trustee

If for any reason at any relevant time the Agent or, as the case may be, the Calculation Agent defaults in its obligation to determine the Rate of Interest or to calculate any Interest Amount in accordance with subparagraph (ii) (A) or (B) above or as otherwise specified in the applicable Final Terms, as the case may be, and in each case in accordance with paragraph (iv) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent or the Calculation Agent, as applicable.

(vii) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 3(b), whether by the Agent or, if applicable, the Calculation Agent or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or, if applicable, the Calculation Agent or the Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) Interest on Dual Currency Interest Notes

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Final Terms.

(d) Interest on Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused or is not made by reason of Condition 2(b) or (c). In any such event, interest will continue to accrue as provided in the Trust Deed.

4. PAYMENTS

(a) Method of payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Wellington, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Notwithstanding any provision hereof (other than the final paragraph of Condition 4(d)), payments in respect of any Note will not be made at an office of a Paying Agent in the United States by transfer to an account maintained by the payee with a bank located in the United States or by cheque mailed to an address in the United States. For the purposes of this Condition and Condition 12, the "United States" means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 6.

(b) Presentation of definitive Notes, Receipts and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below and, in the case of Undated Subordinated Notes, to Condition 2(c)) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest, including Arrears of Interest (if any), in respect of definitive Notes will (subject as provided below and, in the case of Undated Subordinated Notes, to Condition 2(c)) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States.

Payments of instalments of principal (if any) in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 6) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 7) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall (subject, in the case of Undated Subordinated Notes, to the provision of Condition 2(c)) be payable only against surrender of the relevant definitive Note.

(c) Payments in respect of Global Notes

Payments of principal and interest (including Arrears of Interest (if any)) in respect of Notes represented by any Global Note will (subject as provided below and, in the case of Undated Subordinated Notes, to the provisions of Condition 2(c)) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

(d) General provisions applicable to payments

The holder of a Global Note (or as provided in the Trust Deed, the Trustee) shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note or the Trustee, as the case may be, in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note or the Trustee, as the case may be.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(e) Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "Payment Day" means any day which (subject to Condition 7) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation;

- (B) London; and
- (C) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne and Wellington, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(f) Interpretation of principal and interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 6 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 5(e)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 6 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

5. REDEMPTION AND PURCHASE

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Senior Note and each Dated Subordinated Note (including each Index Linked Redemption Note and Dual Currency Redemption Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date. Each Undated Subordinated Note is undated and accordingly has no final maturity date and is only redeemable or repayable in accordance with the following provisions of this Condition or Condition 9.

(b) Redemption for tax reasons

The Notes may be redeemed at the option of the Issuer (but subject, in the case of Subordinated Notes, to prior Relevant Supervisory Consent, as defined below, if required and subject further, if this Note is an Undated Subordinated Note, to the provisions of Condition 2(c)) in whole, but not in part, at any time (if this Note is neither a Floating Rate Note, an Index Linked Interest Note nor a Dual Currency Interest Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note, an Index Linked Interest Note or a Dual Currency Interest Note), on giving not less than 30 nor more than 60 days' notice to the Agent and the Trustee and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if immediately prior to the giving of such notice the Issuer satisfies the Trustee that:

- (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 6 as a result of any change in, or amendment to, the laws or regulations of Ireland or any political subdivision thereof or by any authority therein or thereof having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee (1) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (2) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in (ii) above in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

Upon the expiry of any such notice as is referred to in this Condition 5(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 5(b).

Notes redeemed pursuant to this Condition 5(b) will be redeemed at their Early Redemption Amount referred to in paragraph (e) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

For the purposes of these Terms and Conditions, "Relevant Supervisory Consent" means the consent to the relevant repayment of the Irish Financial Services Regulatory Authority (or, if the Irish Financial Services Regulatory Authority ceases to be the relevant regulator, the successor to the Irish Financial Services Regulatory Authority as the relevant regulator of banks operating in Ireland).

(c) Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may (subject, if this Note is an Undated Subordinated Note, to the provisions of Condition 2(c)), having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 13; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Trustee and the Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

(d) Redemption at the option of the Noteholders other than holders of Subordinated Notes (Investor Put)

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note (other than a Subordinated Note) giving to the Issuer in accordance with Condition 13 not less than 15 nor more than 30 days' notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of this Note the holder of this Note must deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by, if this Note is in definitive form, this Note or evidence satisfactory

to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

(e) Early Redemption Amounts

For the purpose of paragraph (b) above and Condition 8 (if this Note is a Senior Note) or Condition 9 (if this Note is a Subordinated Note), each Note will (subject, in the case of Undated Subordinated Notes, to the provisions of Condition 2(c)) be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Undated Subordinated Notes, at their nominal amount; or
- (iii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and a Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (iv) in the case of a Zero Coupon Note, at an amount (the "Amortised Face Amount") calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

"RP" means the Reference Price;

"AY" means the Accrual Yield expressed as a decimal; and

"y" is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms.

(f) Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (e) above.

(g) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Final Terms.

(h) Purchases

The Issuer or any Subsidiary of the Issuer may (but subject, in the case of Subordinated Notes, to prior Relevant Supervisory Consent (if required)) at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(i) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (h) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(j) Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraphs (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 8 (if this Note is a Senior Note) or Condition 9 (if this Note is a Subordinated Note) is improperly

withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(iv) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders in accordance with Condition 13.

6. TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Ireland or any political subdivision thereof or by any authority therein or thereof having power to tax unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of the withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of any Note, Receipt or Coupon:

- (a) presented for payment in Ireland; or
- (b) presented for payment by or on behalf of a holder who is liable for such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his being connected with Ireland otherwise than by reason only of his ownership of such Note, Receipt or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 4(e)); or
- (d) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (e) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used herein "Relevant Date" means (i) the date on which such payment first becomes due or (ii) if the full amount payable has not been received by the Agent or the Trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Noteholders in accordance with Condition 13.

7. PRESCRIPTION

The Notes, Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 6) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 4(b) or any Talon which would be void pursuant to Condition 4(b).

8. EVENTS OF DEFAULT FOR, AND ENFORCEMENT OF, SENIOR NOTES

This Condition shall apply only to Senior Notes. Any reference in this Condition 8 to "Noteholders" shall mean holders of Senior Notes.

The Trustee at its discretion may, and if so requested in writing by the holders of not less than one-quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified to its satisfaction), (but, in the case of the happening of any of the events mentioned in paragraphs (ii) to (vi) below (inclusive), only if the Trustee shall have certified that, in its opinion, such event is materially prejudicial to the interests of the Noteholders) give

notice to the Issuer that the Notes are, and they shall accordingly thereby become, immediately due and repayable at their Early Redemption Amount, together with accrued interest as provided in the Trust Deed, if any of the following events ("Events of Default") shall have occurred and be continuing:

- (i) there is default for more than seven days in the payment of any principal or for more than 14 days in the payment of any interest in respect of the Notes or any of them when and as the same ought to be paid; or
- (ii) there is default by the Issuer in the performance or observance of any covenant, condition or provision contained in the Trust Deed or in the Notes, Receipts or Coupons and on its part to be performed or observed (other than the covenant to pay the principal or interest in respect of any of the Notes) and (except where the Trustee determines that such default is not capable of remedy when no such notice or continuation as is hereinafter mentioned shall be required) such default continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or
- (iii)
 - (a) if any other present or future indebtedness (as defined in the Trust Deed) of the Issuer or any of its Subsidiaries to a Third Party (other than indebtedness in respect of any Limited Recourse Transaction) becomes due and repayable prior to its stated maturity pursuant to a default (however described) by the Issuer or such Subsidiary; or
 - (b) if any other present or future indebtedness of the Issuer or any of its Subsidiaries to a Third Party (other than indebtedness in respect of any Limited Recourse Transaction) is not paid when due or (as the case may be) within any applicable grace period therefor (as originally provided); or
 - (c) if the Issuer or any of its Subsidiaries fails to pay when due or (as the case may be) within any applicable grace period therefor (as originally provided) any amount payable by it to any Third Party under any present or future guarantee or indemnity (other than any guarantee or indemnity given in the ordinary course of its business) in respect of any present or future indebtedness (other than indebtedness in respect of any Limited Recourse Transaction); or
 - (d) if any mortgage, charge, pledge, lien or other encumbrance present or future securing any present or future indebtedness (other than indebtedness in respect of any Limited Recourse Transaction), guarantee or indemnity created or assumed by the Issuer or any of its Subsidiaries becomes enforceable;

Provided however that for the purposes of this paragraph (iii):

- (I) the aggregate of the principal amounts of all such indebtedness (other than indebtedness in respect of any Limited Recourse Transaction) of the Issuer and its Subsidiaries to Third Parties and/or the amounts payable by the Issuer or any of its Subsidiaries to Third Parties under any such guarantee and/or indemnity (other than any guarantee and/or indemnity in respect of any Limited Recourse Transaction) shall at that time exceed £10,000,000 (or its equivalent in any other currency or currencies as determined by the Trustee) or, if higher, a sum equal to 0.15 per cent. of the Total Assets (as defined below); and
- (II) "Subsidiary" does not include an SPC Subsidiary and "Subsidiaries" does not include SPC Subsidiaries; or
- (iv) a distress or execution or other legal process in respect of a claim for £500,000 (or its equivalent in any other currency or currencies as determined by the Trustee) or more is levied or enforced or sued out against any part of the property, assets or revenues of the Issuer or any of its Subsidiaries (other than an SPC Subsidiary or SPC Subsidiaries) and is not discharged or stayed within 30 days of having been so levied, enforced or sued out; or
- (v) save, in the case of the Issuer for a Permitted Reorganisation (as defined below), the Issuer or any Principal Subsidiary (as defined below) becomes insolvent or stops or threatens to stop payment of or is unable to pay its debts as they mature or applies for or consents to or suffers the appointment of a liquidator or an administrative or other receiver or an examiner (under the Companies (Amendment) Act, 1990 of Ireland) or an administrator of itself or the whole or any substantial part of its undertaking, property, assets or revenues or takes any proceeding under any law for a readjustment or deferment of its obligations or any substantial part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors or, except in any case for the purposes of a reconstruction, merger or amalgamation effected with the prior written consent of the Trustee or by an Extraordinary Resolution of the Noteholders, ceases or threatens to cease to carry on its business or any substantial part of its business; or

- (vi) an order is made or an effective resolution is passed for the winding-up or dissolution of the Issuer or any Principal Subsidiary or anything analogous or similar to any of the foregoing occurs (except in any case for the purposes of a reconstruction, merger or amalgamation effected with the prior written consent of the Trustee or by an Extraordinary Resolution of the Noteholders or, in any case concerning the Issuer, as a result of a Permitted Reorganisation).

In this Condition 8:

“Group” means the Issuer and its Subsidiaries.

“Limited Recourse Transaction” means a transaction entered into or to be entered into by the Issuer or any of its Subsidiaries where the sole recourse, insofar as the Issuer or any of its Subsidiaries is concerned, of the provider of funds is to an asset financed by those funds or to an SPC Subsidiary or to SPC Subsidiaries formed in connection with such transaction, such provider having no recourse to the general assets or undertaking of (as the case may be) the Issuer or any of its Subsidiaries. A certificate by the Auditors addressed to the Trustee that in their opinion a transaction is or is not or was or was not a Limited Recourse Transaction shall, in the absence of manifest error, be conclusive and binding on all parties.

“Principal Subsidiaries” means a Subsidiary of the Issuer (other than an SPC Subsidiary) whose total assets represent 10 per cent. or more of the Total Assets of the Group (all as more particularly described in the Trust Deed). A certificate by the Auditors addressed to the Trustee that in their opinion a Subsidiary is or is not or was or was not at any particular time or throughout any specified period an SPC Subsidiary or a Principal Subsidiary shall, in the absence of manifest error, be conclusive and binding on all parties.

“Permitted Reorganisation” means an amalgamation, merger, consolidation, reorganisation or other similar arrangement entered into by the Issuer under which:

- (a) the whole of the business, undertaking and assets of the Issuer are transferred to and all the liabilities and obligations of the Issuer are assumed by the new or surviving entity either:
 - (i) automatically by operation of the laws of Ireland; or
 - (ii) upon terms and subject to the satisfaction of such conditions as the Trustee shall have previously approved in writing in order to satisfy the Trustee that the new or surviving entity will be bound by the terms of the Trust Deed and the Notes as fully as if it had been named in the Trust Deed and the Notes in place of the Issuer; and
- (b) the new or surviving entity will immediately after such amalgamation, merger, consolidation, reorganisation or other similar arrangement be subject to the same regulation and supervision by the Central Bank of Ireland as the Issuer was subject immediately prior thereto.

“SPC Subsidiary” means a Subsidiary of the Issuer acquired or formed or used by the Issuer or any Subsidiary of the Issuer for the sole purpose of a Limited Recourse Transaction where, insofar as (as the case may be) the Issuer or any other Subsidiary of the Issuer is concerned, the sole recourse of a provider of funds in relation to such Limited Recourse Transaction is to such first-mentioned Subsidiary or the assets of such first-mentioned Subsidiary or the shares in, or the securities, debentures, loan instruments, debts or other covenants of, such first-mentioned Subsidiary and neither such provider of funds nor any other party will have any recourse to (as the case may be) the Issuer or any of its other Subsidiaries or its or their other assets for the liabilities of such first-mentioned Subsidiary and “SPC Subsidiaries” shall be construed accordingly.

“Third Party” means any person not being the Issuer or a Subsidiary of the Issuer and “Third Parties” shall be construed accordingly.

“Total Assets” means the consolidated total assets of the Group as shown by the latest audited consolidated balance sheet of the Group.

The Trustee may at any time, at its discretion and without further notice, take such proceedings against the Issuer as it may think fit to enforce the provisions of the Trust Deed, the Notes, the Receipts and the Coupons, but it shall not be bound to take any such proceedings or any other action in relation to the Trust Deed, the Notes, the Receipts or the Coupons unless (a) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter in nominal amount of the Notes then outstanding, and (b) it shall have been indemnified to its satisfaction.

No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure is continuing.

9. EVENTS OF DEFAULT FOR, AND ENFORCEMENT OF, SUBORDINATED NOTES

This Condition shall apply only to Subordinated Notes. Any reference in this Condition 9 to "Noteholders" shall mean holders of Subordinated Notes.

- (i) If default is made in the payment of any principal or interest due in respect of the Notes and such default continues for a period of 15 days after the due date for the same or, as the case may be, after any other date upon which the payment of interest is compulsory, the Trustee may, subject as provided below, at its discretion and without further notice, institute proceedings for the winding-up of the Issuer in Ireland (but not elsewhere), but may take no further action in respect of such default. For the purposes of this paragraph and in relation to Undated Subordinated Notes only, (i) a payment shall be deemed to be due or compulsory even if the condition set out in Condition 2(c)(1)(B) is not satisfied, and (ii) for the avoidance of doubt, the exercise by the Issuer of its right, pursuant to Condition 2(c)(1)(C), not to make any payment(s) of interest in respect of Undated Subordinated Notes shall not constitute a default in the payment of interest.
- (ii) If, otherwise than for the purposes of a Permitted Reorganisation or for the purposes of a reconstruction, amalgamation, reorganisation, merger or consolidation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders, an order is made or an effective resolution is passed for the winding-up or dissolution of the Issuer in Ireland (but not elsewhere), the Trustee may, subject as provided below, at its discretion, give notice to the Issuer that the Dated Subordinated Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their Early Redemption Amount as defined in Condition 5(e), plus accrued interest as provided in the Trust Deed.
- (iii) Without prejudice to Condition 9(i) or 9(ii) above, the Trustee may, subject as provided below, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, the Receipts, the Coupons or the Trust Deed (other than any obligation for the payment of any principal or interest in respect of the Notes), provided that the Issuer shall not as a consequence of such proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it.
- (iv) The Trustee shall not be bound to take action referred to in Condition 9(i), (ii) and/or (iii) above unless (a) it shall have been so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Notes then outstanding or so directed by an Extraordinary Resolution of the Noteholders and (b) it shall have been indemnified to its satisfaction.
- (v) No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer pursuant to paragraph (iii) above unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure is continuing. No Noteholder, Receiptholder or Couponholder shall be entitled either to institute proceedings in Ireland (or elsewhere) for the winding-up of the Issuer or to submit a claim in such winding-up, except that if the Trustee, having become bound to institute such proceedings as aforesaid, fails to do so, or, being able and bound to submit a claim in such winding-up, fails to do so, in each case within a reasonable period and such failure is continuing, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise), himself institute proceedings for the winding-up of the Issuer in Ireland (but not elsewhere) and/or submit a claim in such winding-up to the same extent (but not further or otherwise) that the Trustee would have been entitled to do.

10. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may, subject to all applicable laws and stock exchange requirements, be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

11. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below.

The Issuer reserves the right, subject to the prior written approval of the Trustee, at any time to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent; and

- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority); and
- (c) there will at all times be a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent, approved in writing by the Trustee, having a specified office in New York City in the circumstances described in Condition 4(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and, in certain limited circumstances, the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent outside the United States in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 7. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

13. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (i) in a leading English language daily newspaper of general circulation in London or, if in any case this is not in the opinion of the Trustee practicable, in at least one daily English language newspaper with general circulation in Europe approved by the Trustee and (ii) (in respect of any Notes listed in the Official List of the Irish Stock Exchange (so long as that exchange requires)) in an English language daily newspaper published and circulating nationally in Ireland. It is expected that such publication will be made in the *Financial Times* in London and *The Irish Times* in Dublin. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange (or any other relevant authority) on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of publication in the last of all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or admitted to trading by any other relevant authority and the rules of that stock exchange or other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or other relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the second day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg, except that any call notice given pursuant to Condition 5(c) shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Receiptholders and Couponholders will be deemed for all purposes to have notice of the contents of any notice given to Noteholders in accordance with this Condition 13.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER, AUTHORISATION AND SUBSTITUTION

- (i) The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, the Receipts or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), or certain provisions of the Trust Deed, the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification of, or to any waiver or authorisation of any breach or proposed breach of, any of these Conditions or any provision of the Notes, the Receipts, the Coupons or any of the provisions of the Trust Deed which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders; or
- (b) any modification of any of these Conditions or any provision of the Notes, the Receipts, the Coupons or the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law.
- (ii) If the Issuer shall undergo a Permitted Reorganisation, the new or surviving entity in any such case will be substituted in place of the Issuer as principal debtor under the Trust Deed, the Notes, the Receipts and the Coupons without any prior approval thereof being required of the Noteholders, the Receiptholders or the Couponholders or any further consent thereto being required of the Trustee.
- (iii) Without prejudice to Condition 14(ii) above and subject as provided in the Trust Deed, the Trustee may at any time agree, without the consent of the Noteholders, Receiptholders or the Couponholders, to the substitution in place of the Issuer (or any previous substitute under this Condition) as the principal debtor under the Trust Deed and the Notes, the Receipts and the Coupons (as defined in the Trust Deed) of (i) any successor in business of the Issuer, (ii) any wholly-owned Subsidiary of the Issuer and (iii) any wholly-owned Subsidiary of a successor in business of the Issuer, subject in each case to the Trustee being satisfied that the substitution will not breach any applicable law or regulation and that all necessary governmental, regulatory and other approvals, consents and licences in respect of the substitution shall have been obtained and are in full force and effect and, in the case of the substitution of any company other than a successor in business of the Issuer, the irrevocable and unconditional guarantee on a subordinated basis equal to that mentioned in Condition 2, in a form satisfactory to the Trustee, of the Notes, the Receipts and the Coupons by the Issuer or such successor in business of the Issuer and subject to certain other conditions set out in the Trust Deed being complied with.
- (iv) In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorisation or substitution), the Trustee shall have regard to the interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders, Receiptholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequence of the exercise of its trusts, powers or discretions for individual Noteholders, Receiptholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the Issuer or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Noteholders, Receiptholders or Couponholders except to the extent

already provided for in Condition 6 and/or any undertaking given in addition to, or in substitution for, Condition 6 pursuant to the Trust Deed.

- (v) Any such modification, waiver, authorisation or substitution shall be binding on the Noteholders, the Receiptholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Noteholders by the Issuer as soon as practicable thereafter in accordance with Condition 13.

15. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

16. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. GOVERNING LAW AND SUBMISSION TO JURISDICTION

(a) Governing law

The Trust Deed, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law except that Conditions 2(b), 2(c) and 2(d) and the equivalent provisions of the Trust Deed are governed by, and shall be construed in accordance with, the laws of Ireland.

(b) Submission to jurisdiction

The Issuer has in the Trust Deed irrevocably agreed for the benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings (together referred to as "Proceedings") arising out of or in connection with the Trust Deed, the Notes, the Receipts and the Coupons may be brought in such courts.

The Issuer has in the Trust Deed irrevocably and unconditionally waived and agreed not to raise any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and has further irrevocably and unconditionally agreed that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(c) Appointment of Process Agent

The Issuer has in the Trust Deed appointed each of the persons for the time being nominated under Part XXIII of the Companies Act 1985 as its agent for the service of process on it to accept on its behalf service of process in England in connection with any Proceedings, and has undertaken that, in the event of its London Branch ceasing to be registered under Part XXIII of the Companies Act 1985, it will appoint such other person as the Trustee may approve as its agent for that purpose. At 24th May, 2007 such nominated persons are employees for the time being of its London Branch at 10 Old Jewry, London EC2R 8DN. The Issuer has also agreed in the Trust Deed to procure that, so long as any of the Notes remains outstanding, there shall be in force an appointment of such a person approved by the Trustee with an office in London with authority to accept service as aforesaid. Nothing herein shall affect the right to serve process in any other manner permitted by law.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Issuer for its general corporate purposes. If in respect of any particular issue there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.

DESCRIPTION OF THE ISSUER

ANGLO IRISH BANK CORPORATION plc

Introduction

The Bank is an Irish licensed bank having its headquarters in Ireland at Stephen Court, 18/21 St. Stephen's Green, Dublin 2. It was incorporated on 17th November, 1964, with registration number 22045. It operates and is regulated under the supervision of the Irish Financial Services Regulatory Authority (the "Financial Regulator") as a constituent part of the Central Bank and Financial Services Authority of Ireland ("CBOI"). The business of the Bank is directed and managed by a board of directors, details of which are set out below. Details of the Bank's business operations and subsidiaries are also set out below, and in summary the Bank is a holding company of a financial services group operating in Ireland, the United Kingdom, the United States, the Isle of Man, Austria and Switzerland. It is primarily involved in business banking, wealth management and treasury management, as empowered pursuant to Clause 2 of its Memorandum of Association.

Regulatory Framework for Irish Banks

The principal legislation governing the regulation and control of the Irish banking system is the Central Bank Act 1971 as amended by the Central Bank Acts 1989, 1997 and 1998. The Central Bank Act of 1971 gave the CBOI similar powers to those of other banking-supervisory authorities in Europe. The 1989 and 1997 Acts further strengthened the CBOI's powers in relation to the supervision of banks and other related activities and the 1998 Act introduced provisions to allow the Central Bank membership of the European Systems of Central Banks. The various Central Bank Acts were supplemented by the Central Bank and Financial Services Authority Act 2003 under which the Financial Regulator became the licensing and controlling authority for all financial institutions in Ireland.

The relevant legislation contains extensive provisions relating to, *inter alia*, the granting and revocation of licences with the consent of the Minister of Finance, the obtaining of information from credit institutions, the undertaking of on-site inspections, and supervision generally of the activities of credit institutions. As many of the provisions are of a discretionary nature, the regulator has set down requirements and standards which it uses to guide it in the assessment of applications for licences and in the supervision of the business carried on by credit institutions. These requirements were last revised and updated in April 1998.

Ownership

The Financial Regulator operates strict criteria in relation to the ownership of licensed banks. In general, the Financial Regulator stipulates that the ownership of banks be vested in one or more banks or other financial institutions of standing or, alternatively, that there be a wide spread of ownership. The Central Bank Act of 1989 gives the Financial Regulator extensive legal powers to limit the acquisition of shares in a bank in excess of 10 per cent. of share capital.

Capital Adequacy

The capital adequacy measures included in the European Union Own Funds and Solvency Ratio Directives were adopted in 1991. Specifically, a capital adequacy ratio based on the relationship of capital to weighted risk assets of between 8 per cent. and 12 per cent. is stipulated for each licensed bank.

The Financial Regulator has specified a minimum capital adequacy being the ratio of total capital to risk weighted assets. Total capital is defined as the sum of (i) Tier 1 capital plus Tier 2 capital less certain deductions in respect of items such as goodwill and shortfalls in the market value of investments and (ii) with the prior approval of the Financial Regulator, Tier 3 capital. Tier 1 capital comprises mainly share capital and reserves, Tier 2 capital comprises mainly debt instruments of a capital nature, including subordinated debt having a maturity of at least five years. Tier 3 capital is intended to cover risks associated with the relevant bank's trading book and foreign exchange and commodity risks only and is comprised of subordinated debt having a maturity of at least two years and certain net trading book profits. The risk assets are given weightings according to perceived risk; for example, residential mortgages are weighted at 50 per cent. whereas most loans and advances are weighted at 100 per cent.

Risk Assets

A licensed bank must maintain a diversified portfolio of risk assets, and there are limits on the maximum exposure permissible in any one economic sector or to any one borrower, or to what is considered by the Financial Regulator to be an associated group of borrowers.

Liquidity

A holder of a licence must observe such minimum prudential liquidity ratios as are determined by the Financial Regulator from time to time (the currently applied ratio being 25 per cent.). From 1st July, 2007, the Financial Regulator will change the methodology by which it sets minimum liquidity requirements for the Irish banking industry, changing from the old liquid stock approach to a more modern 'cash-flow mismatch' approach. The holder of a licence must, in particular, establish appropriate policies with regard to the management of its liquidity and ensure that adequate internal systems are created to monitor and control maturity mismatches between a bank's assets and liabilities, to the satisfaction of the Financial Regulator.

Inspections

The Central Bank Act of Ireland gave explicit power to the CBOI to conduct on-site inspections of banks. Such on-site inspections of all banks have been routinely and frequently conducted by the CBOI since 1971 and from 1st May, 2003 have been undertaken by the Financial Regulator.

Other Controls

The Financial Regulator requires that banks have in place sufficient management and internal controls:

- (i) to provide for ongoing control and monitoring of foreign exchange operations;
- (ii) to assess and control all off-balance sheet activities; and
- (iii) to determine and assess on an ongoing basis the degree of interest rate risk to which a bank is exposed.

Connected Assets

Guidelines set out limits on the extent to which risk assets can be employed in non-financial businesses in which a licence holder has a major interest. Beneficial ownership of 10 per cent. or more of the equity of a business, together with membership of the Board, is considered by the Financial Regulator to be a major interest. The guidelines also specify limits on the extent to which risk assets can be employed with any one of the bank's directors or significant shareholders, including, in either case, funds employed with businesses in which the director or significant shareholder has a major interest.

Deposit Protection Scheme

The European Communities (Deposit Guarantee Schemes) Regulations, 1995 (as amended by the Central Bank Act, 1997 and the European Communities (Deposit Guarantee Schemes) Regulations, 1999) set out the terms and conditions governing deposit protection in Ireland. The Irish deposit protection scheme is funded by credit institutions authorised by the Financial Regulator. The funding for the scheme is based on a contribution by licence holders to a deposit protection account maintained at the CBOI at the rate of 0.2 per cent. of the total deposits (excluding interbank deposits and negotiable certificates of deposit) of any currency held by the licence holder at its branches in the European Union.

The scheme guarantees payments in respect of 90 per cent. of the aggregate deposits from a depositor (subject to a maximum payment of €20,000) in the event of a bank failure. A further additional feature of the scheme is that the regulator may, at its discretion and to such extent as it may deem proper, charge on the deposit protection account any payment which, in its opinion, was applied to promote the orderly and proper regulation of banking. In other words, the regulator has the power to use the funds of the deposit protection account to rescue a bank if it considers it to be desirable to do so.

Audit Committee

All members of the Bank's Audit Committee are Non-executive Directors. Its current members are Gary McGann (Chairman), Michael Jacob and Noël Harwerth. The Audit Committee reviews the Group's financial statements, determines as to whether proper books of accounts have been kept in accordance with the Companies Acts, 1963 to 2006 and ensures that no restrictions are placed on the scope of the auditors or on the independence of the Internal Audit function. The Audit Committee meets at least four times during each year and reviews its processes and effectiveness annually.

To the best of the knowledge and belief of the Bank it complies with all relevant laws and regulations regarding corporate governance in the countries in which it operates in.

History of Anglo Irish Bank Corporation plc

Anglo Irish Bank Corporation plc is one of four publicly quoted Irish banking groups. It is engaged in the areas of business lending, treasury and wealth management.

The history of the Bank goes back to its foundation in 1964. It became a publicly listed company with a quotation on the London and Irish Stock Exchanges in 1971. The Bank entered the UK market in 1984 and the US market in 1997. The Bank has grown its business both organically and by way of selective acquisition of businesses and/or loan portfolios complementary to its own activities. Each of these acquisitions were subject to a thorough due diligence review and, in the cases of loan portfolios acquired, all loans were subject to review in accordance with the Bank's credit criteria.

Overview of Business

As at 31st March, 2007 the Bank had total assets of €88,669 million (€73,290 million as at 30th September, 2006) and €7,696 million (€6,892 million as at 30th September, 2006) of capital resources. It operates out of 6 branches in Ireland, 7 branches in Great Britain and through subsidiaries in each of the Isle of Man, Austria, Portugal and Switzerland. In the USA the Bank has a representative office in each of Boston, New York and Chicago. As at 31st March, 2007, the Bank employed 1,672 people, of whom 924 were located in the Republic of Ireland.

The Bank's three principal activities are:

(a) Business Lending

The Bank focuses on providing secured term loan facilities to a diversified customer base. The target customers are drawn from medium size corporates, professionals and high net worth individuals in Ireland, the UK and in the greater Boston region in the USA. Security is required for almost all lending. The Bank does not lend for working capital purposes to the manufacturing sector, to the primary agriculture sector or for unsecured personal lending.

(b) Treasury

The Bank offers a full range of treasury services, including deposits, commercial paper, foreign exchange and interest rate management products. The treasury division is also responsible for the funding, liquidity and asset/liability management of the Bank and for achieving maximum returns on free funds. Trade Finance and a credit investment portfolio are two more recent, but growing, activities in the treasury division.

(c) Wealth Management

Reflecting the extent and diversity of activities, the Bank established a separate wealth management division in April 2002. These operations are conducted in Ireland, the UK, the Isle of Man, Austria and Switzerland and cover private banking, funds management, wealth management and retirement planning.

Capital Adequacy

The following table sets out the Bank's capital adequacy position as at the dates specified:

	Total Capital Ratio	Tier 1 Ratio
	%	%
As at 31st March, 2007 ⁽¹⁾	11.4	8.5
As at 30th September, 2006 ⁽²⁾	12.1	8.4

¹ Source: Derived from the Bank's Unaudited Management Accounts and records.

² Including year end retentions.

Liquidity

The Bank's liquidity ratio has been significantly above the Financial Regulator's requirements. As at 31st March, 2007, the Bank's liquidity ratio was 29.1 per cent., compared with 28.2 per cent. as at 30th September, 2006 and 27.1 per cent. as at 30th September, 2005. The Bank has commenced a parallel run period and is currently adhering to both the old methodology and the new approach before the new approach becomes official on 1st July 2007.

Funding

The Bank's funding is derived from a strong and well diversified deposit base. Reflecting this diversity, the Bank has established deposit bases in Ireland, the UK, the Isle of Man and Austria. Customer deposits are sourced from the commercial, institutional, private banking and personal deposit markets

The Bank has been a significant participant in the international interbank markets for a number of years. The Bank continues to be active in diversifying its funding to the capital markets investor base through its €30

billion EMTN programme, a €4 billion French CP programme, a €2 billion ECP programme, a US\$4 billion US CP programme and a US\$4 billion US Extendible Note Programme.

Asset Quality

In line with regulatory requirements, the Bank maintains a diversified asset portfolio with individual sectorial exposures not accounting for more than 20 per cent. by value of the whole portfolio. Furthermore, it is the Bank's lending policy that no loan is advanced which exceeds 1 per cent. by value of the total loan portfolio. The Bank's lending policy includes a maximum loan to collateral value ratio of 80 per cent. by value.

The Bank classifies loans using the following categories:

- (i) "unimpaired";
- (ii) "watch list"; and
- (iii) "impaired".

All loans will be classified as unimpaired unless they are classified either in the watch list or impaired categories.

Watch list status will apply where a borrower fails to make a scheduled payment or breaches a financial covenant and the Bank is of the opinion that this is indicative of a problem being experienced by the borrower which requires monitoring and hands-on management by the Bank to ensure that loan servicing and repayment are completed on schedule.

If on the other hand the Bank considers that the failure by a borrower to make a scheduled payment is indicative of a fundamental problem with the borrower's ability to service and/or repay a loan, the borrower will be classified as impaired. A prudent provision will be put in place and appropriate legal action will then be taken with a view to minimising any potential loss. It is the Bank's policy that impaired loans are put on non-accrual status.

The Bank's impaired loans as a percentage of the Bank's total loan portfolio was 0.50 per cent. as at 31st March, 2007, compared with 0.52 per cent. as at 30th September, 2006 and 0.63 per cent. as at 30th September, 2005.

The total accumulated provisions as a percentage of the Bank's impaired loans as at 31st March, 2007 was 97 per cent., as at 30th September, 2006 was 103 per cent. and as at 30th September, 2005 was 100 per cent.

Recent Developments

- (a) On 1st February, 2007 the Bank successfully placed 35.7 million new ordinary shares which resulted in gross proceeds of €542 million. This placing strengthened the Bank's capital base, enabling it to take advantage of future organic growth opportunities in each of its core markets.
- (b) On 2nd February, 2007, E. Noël Harwerth was appointed to the Board of the Bank as a Non-Executive Director.
- (c) On 2nd February, 2007, Patrick Wright retired from the Board of the Bank as a Non-Executive Director.

TAXATION

Ireland

The comments below are of a general nature based on the Issuer's understanding of the current law and practice in Ireland relating to the taxation of Notes under the Programme and are subject to changes therein. They relate only to the position of persons who are the absolute beneficial owners of the Notes and the return on them and may not apply to certain other classes of persons. Prospective holders of Notes should be aware that the particular terms of issue of any Notes may affect the treatment of that Series of Notes. Holders of Notes should seek their own professional advice in respect of their own specific circumstances.

Irish Deposit Interest Retention Tax

Deposit interest retention tax applies to relevant deposit takers such as the Issuer under Chapter 4 of Part 8 of the Taxes Consolidation Act ("TCA") 1997. Deposit interest retention tax is relevant to Notes which are not listed on a recognised stock exchange (both the Irish Stock Exchange and the London Stock Exchange are recognised stock exchanges for this purpose), whether such Notes are interest bearing, issued at a discount and/or redeemable at a premium.

In the absence of an applicable exemption (as to which see below), a relevant deposit taker is required to make a deduction of tax in respect of "Interest" (Interest for these purposes includes any amount, whether or not described as "interest", paid in consideration of the making of a deposit and, as regards Notes issued at a discount or redeemable at a premium, any payment of discount/premium on those Notes). Deposit interest retention tax would be deducted at the standard rate of income tax in Ireland, currently 20 per cent.

Payment of Interest on a Note can be made without deduction of deposit interest retention tax where, among other exemptions:

- (i) the person beneficially entitled to the Interest on the Note is the holder of an Irish banking licence or a person who holds a licence or similar authorisation under the law of any other Member State of the European Union and which corresponds to an Irish banking licence;
- (ii) the person beneficially entitled to the Interest on the Note is a company within the charge to Irish corporation tax on the Interest or a pension scheme (being such a scheme as referred to in section 265 TCA 1997) and has provided the Issuer with the person's tax reference number (within the meaning of section 885 TCA 1997) or where, in the case of a pension scheme, there is no such number, with the number assigned by the Irish Revenue Commissioners to the employer to whom that pension scheme relates;
- (iii) the person beneficially entitled to the Interest on the Note is not tax-resident in Ireland and has completed the appropriate declaration and submitted it to the Issuer; or
- (iv) the person beneficially entitled to the Interest on the Note is a body of persons or trust which is treated by the Irish Revenue Commissioners as a body or trust established for charitable purposes only and has provided the Issuer with the reference number assigned to that person by the Irish Revenue Commissioners in recognition of that person's entitlement to exemption from tax under section 207 TCA 1997 and known as the charity (CHY) number.

Under current practice of the Irish Revenue Commissioners, deposit interest retention tax will not apply to Interest paid in respect of Notes which are not listed on a recognised stock exchange, subject to certain specified conditions, provided that:

- (i) the Issuer does not sell the Notes to Irish tax-residents and does not offer the Notes for sale in Ireland,
- (ii) Dealers, as a matter of contract, undertake to the Issuer that their action in any jurisdiction will comply with applicable laws and regulations and that they will not knowingly make primary sales (or knowingly offer to do so, or distribute any material in that connection in Ireland) of the Notes to Irish tax-residents or persons whose usual place of abode is Ireland,
- (iii) the Notes are held in a recognised clearing system (both Euroclear and Clearstream, Luxembourg are clearing systems recognised by the Irish Revenue Commissioners for this purpose),
- (iv) the minimum denomination in which the Notes issue is made will be €500,000 or its equivalent in any other currency, and

- (v) the Prospectus includes wording to the effect that each Dealer has confirmed that, with respect to the Notes, it will not willingly distribute or cause to be distributed in Ireland any offering material in connection with such Notes.

The Issuer is not aware of any change or intended change to this practice by the Irish Revenue Commissioners. The Irish Revenue Commissioners can change or withdraw this practice at any time.

Where there is an obligation to deduct deposit interest retention tax, Irish interest withholding tax does not apply. However, any payments of Interest from which deposit interest retention tax has not been deducted may still be subject to Irish interest withholding tax.

Irish Interest Withholding Tax

Irish interest withholding tax, where applicable under section 246 TCA 1997, is withheld at the standard rate of income tax in Ireland, currently 20 per cent.

(i) Discount and premium

Notes may be issued at a discount or be redeemable at a premium, whether or not periodic interest payments are due on the Notes. Payments of discount or premium are not within the scope of Irish interest withholding tax.

(ii) Yearly interest

Irish interest withholding tax applies only to payments of “yearly interest” (in general, “yearly interest” can be taken to be interest on a loan which runs, or is capable of running, for a period of one year or longer). Therefore, payments of interest in respect of the Notes may be made without withholding Irish interest withholding tax where the stated maturity of the Notes is less than one year and the Notes are not issued consecutively to the Noteholder such that the Notes would have an aggregate maturity of one year or longer.

(iii) Interest paid in ordinary course of Issuer’s banking business

Interest on Notes paid by the Issuer in the ordinary course of its business as a bank may be paid without withholding Irish interest withholding tax. Interest on Dated and Undated Subordinated Notes may not, depending on the circumstances, be regarded as paid by the Issuer in the ordinary course of its business as a bank.

(iv) Quoted Eurobonds

Payments of interest may be made without withholding Irish interest withholding tax where the Notes meet the requirements of section 64 TCA 1997 (the “quoted Eurobond” exemption). The conditions of section 64 require the Notes to be quoted on a recognised stock exchange (both the Irish Stock Exchange and the London Stock Exchange are recognised stock exchanges for this purpose) and to carry a right to interest.

For so long as Notes continue to be “quoted Eurobonds” and are held in a recognised clearing system (both Euroclear and Clearstream, Luxembourg are recognised clearing systems for this purpose), payments of interest on such Notes may be made by any Paying Agent acting on behalf of the Issuer without withholding Irish interest withholding tax.

If such Notes are not held or cease to be held in a recognised clearing system but still meet the “quoted Eurobond” conditions above, payment of interest may still be made without withholding Irish interest withholding tax where:

- (i) the person by or through whom the payment of interest is made is not in Ireland; or
- (ii) the payment is made by or through a person in Ireland and the person who is the beneficial owner of the relevant Note and who is beneficially entitled to the interest is not tax-resident in Ireland and has made a declaration in the prescribed form.

(v) Wholesale debt instruments — commercial paper

For the purposes of this exemption, “commercial paper” is defined in section 246A TCA 1997 as a Note denominated in amounts of not less than €500,000 (in the case of an instrument denominated in Euro), US\$500,000 (in the case of an instrument denominated in US Dollar) or the equivalent of €500,000 (in the case of an instrument denominated in a currency other than Euro or US Dollar). The Note must recognise an obligation to pay a stated amount, carry a right to interest or be issued at a premium or discount and mature within two years.

So long as any Notes constitute commercial paper (as defined above), payment of interest on such Notes may be made without withholding Irish interest withholding tax in the following circumstances:

- (i) the person by whom or through whom the payment is made is not tax-resident in Ireland and the payment is not made by or through a branch or agency through which the non-Irish resident company carries on a trade or business in Ireland and the Notes are held in a recognised clearing system (both Euroclear and Clearstream, Luxembourg are recognised clearing systems for this purpose), or
- (ii) the person by whom or through whom the payment is made is tax-resident in Ireland or the payment is made either by or through a branch or agency through which a non-Irish resident company carries on a trade or business in Ireland, and either
 - (a) the Notes are held in a recognised clearing system,
 - (b) the person who is beneficially entitled to the interest is Irish tax-resident and has provided their Irish tax registration number to the Issuer or Paying Agent in advance of the payment, or
 - (c) the person who is the beneficial owner of the Notes and who is beneficially entitled to the interest is not Irish tax-resident and has provided the Issuer or Paying Agent with a completed non-resident declaration in the approved form in advance of the payment.

(vi) Double taxation treaty (exemption/reduction)

A recipient of interest may be entitled to exemption from Irish interest withholding tax or to a reduced rate of same pursuant to the provisions of an appropriate double taxation treaty. Authorisation in advance of any payment of interest would generally be required from the Irish Revenue Commissioners in respect of such exemption or reduction.

Irish Encashment Tax

Under section 62 TCA 1997, a collecting agent in Ireland obtaining payment of interest whether in Ireland or elsewhere on a Quoted Eurobond in circumstances where no withholding of Irish interest withholding tax has been made by the person paying the interest, must withhold encashment tax at the standard rate of income tax in Ireland (currently 20%) unless the person who is the beneficial owner of the Notes and beneficially entitled to the interest is not tax-resident in Ireland and has made and provided a declaration in the prescribed form to the collecting agent. A banker does not need to withhold Irish encashment tax by virtue only of the clearing of a cheque or the arranging for the clearing of a cheque.

Noteholders should therefore be aware that the appointment of an Irish collecting agent may bring them within the charge to Irish encashment tax.

Irish Source Income

Any interest, discount or premium on Notes issued in Ireland may be Irish source income. Such income may be within the charge to Irish tax, except for:

- (i) interest paid in the ordinary course of the Issuer's business as a bank to a company resident in a Member State of the European Union (except for Ireland) or in a country with which Ireland has a double tax treaty, unless that interest income is connected with an Irish agency, branch or trade of such a company, or
- (ii) interest paid by the Issuer on Notes which are quoted Eurobonds (within the meaning of section 64 TCA 1997, see above), to a person resident in a Member State of the European Union (except for Ireland) or in a country with which Ireland has a double tax treaty, unless that interest income is connected with an Irish agency, branch or trade of such a person.

Ireland operates a self-assessment system in respect of income and corporation taxes and any person, including a person who is neither resident nor ordinarily resident in Ireland for tax purposes, with Irish source income chargeable to tax comes within its scope.

Irish Capital Gains Tax

A Noteholder who is resident or ordinarily resident in Ireland for Irish tax purposes may be subject to Irish capital gains tax on any gain realised on disposal or redemption of the Notes. A Noteholder who is neither resident nor ordinarily resident in Ireland for Irish tax purposes is not subject to Irish capital gains tax unless the Notes are or were held in connection with a trade or business carried on by such Noteholder in Ireland through a branch or agency to which the Notes are or were attributable.

Irish Stamp Duty

Irish stamp duty will not be payable on the issue of Notes or the transfer of legal title by delivery of Notes.

In the case of the transfer of legal title to Notes by an instrument in writing, no charge to Irish stamp duty will arise (by virtue of section 85 of the Stamp Duties Consolidation Act ("SDCA") 1999) provided that the relevant Notes:

- (i) do not carry a right of conversion into stocks or marketable securities (other than loan capital within the meaning of section 85 SDCA 1999) of a company having a register in Ireland or into loan capital having such a right;
- (ii) do not carry rights of the same kind as shares in the capital of a company, including rights such as voting rights, a share in the profits or a share in the surplus upon liquidation;
- (iii) are redeemable within 30 years of the date of issue and not thereafter;
- (iv) are issued for a price which is not less than 90 per cent of its nominal value; and
- (v) do not carry a right to a sum in respect of payment or interest which is related to certain movements in an index of indices specified in any instrument or other document relating to the Notes.

Where the above exemption or another exemption does not apply, the instrument of transfer (whether executed in Ireland or elsewhere) is liable to Irish stamp duty at the rate of one per cent of the consideration paid in respect of the transfer (or if greater, the market value thereof) which must be paid by the transferee within thirty days of the date on which such instrument of transfer is executed.

Irish Capital Acquisitions Tax

A gift or bequest of Notes may give rise to a liability to Irish capital acquisitions tax in the hands of the donee or successor, if either the Notes which are the subject of the disposition are located in Ireland, or if either the donor or donee/successor are resident or ordinarily resident in Ireland.

United Kingdom

The comments below are of a general nature based on the Issuer's understanding of the current law and practice in the United Kingdom relating to United Kingdom withholding tax implications for Notes under the Programme and are subject to changes therein. They relate only to the position of persons who are the absolute beneficial owners of the Notes and the interest on them and may not apply to certain classes of person, such as dealers. Prospective holders of Notes should be aware that the particular terms of issue of any notes may affect the treatment of that Series of Notes. Holders of Notes who are in any doubt as to their tax position should consult their professional advisers.

Withholding tax

Payments of interest on the Notes may be made without withholding or deduction for, or on account of United Kingdom income tax.

However, Noteholders who are individuals may wish to note that HM Revenue and Customs has power to obtain information (including the name and address of the beneficial owner of the interest) in certain circumstances from any person in the United Kingdom who either pays or credits interest to, or receives interest for the benefit of, another person, or who either pays amounts payable on the redemption of Notes that are deeply discounted securities to, or receives such amounts for the benefit of, another person although HM Revenue and Customs published practice indicates that HM Revenue and Customs will not exercise its power to require this information where such amounts are paid on or before 5th April, 2008. Information so obtained may, in certain circumstances, be exchanged by HM Revenue and Customs with the tax authorities of the jurisdiction in which the Noteholder is resident for tax purposes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland).

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement (the "Programme Agreement") dated 24th May, 2007, agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "Form of the Notes" and "Terms and Conditions of the Notes". In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Each issuance of Index Linked Notes or Dual Currency Notes shall be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Final Terms.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "Relevant Implementation Date") it has not made and will not make an offer of Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) in (or in Germany, where the offer starts within) the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive and ending on the date which is 12 months after the date of such publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or

- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA would not, if the Issuer was not an authorised person, apply to the Issuer; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Ireland

Each Dealer has agreed (and each further Dealer appointed under the Programme will be required to agree) that:

- (a) in respect of any Notes that are not listed on any recognised stock exchange (“Unlisted Notes”):
 - (i) it will not knowingly sell or offer for sale any Unlisted Notes in Ireland or to any person including any body corporate resident in Ireland or having its usual place of abode in Ireland (“Irish Person”);
 - (ii) it will not knowingly issue or distribute or knowingly cause to be issued or distributed any documentation, offering for subscription or sale, any Unlisted Notes in Ireland or to any Irish person;
 - (iii) it will not offer, sell or deliver any Unlisted Notes to any person in an aggregate principle amount of less than €500,000 (Five Hundred Thousand euros) or its equivalent in any other currency notwithstanding that the denominations in which transfer of the Unlisted Notes may subsequently be carried out (as specified in the relevant Final Terms) may be less than this amount;
 - (iv) such Unlisted Notes must be cleared through Euroclear, Clearstream Luxembourg or any other clearing systems recognised for this purpose by the Irish Revenue Commissioners.
- (b) it will not offer for sale, underwrite the issue of or place any Notes otherwise than in conformity with the provisions of the Investment Intermediaries Act, 1995 of Ireland (as amended) including without limitation Sections 9 and 50 and to the extent applicable, Section 23 (including any advertisement restrictions made thereunder) in relation to Unlisted Notes, and will conduct itself in accordance with any codes of conduct drawn up pursuant to Section 37 thereof;
- (c) in respect of a local offer (within the meaning of Section 38(1) of the Investment Funds, Companies and Miscellaneous Provisions Act, 2005 of Ireland (the “2005 Act”)) of Notes in Ireland, it has complied and will comply with Section 49 of the 2005 Act; and
- (d) in connection with offers or sales of Notes, it has only issued or passed on, and will only issue or pass on, in Ireland, any document received by it in connection with the issue of such Notes to persons who are persons to whom the documents may otherwise lawfully be issued or passed on.

Japan

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (the “Securities and Exchange Law”) and each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will not offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan), or to others for re-offering or

resale, directly or indirectly, in Japan or to a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Securities and Exchange Law and any other applicable laws, regulations and ministerial guidelines of Japan.

General

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possesses or distributes this Offering Circular and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and neither the Issuer, the Trustee nor any of the other Dealers shall have any responsibility therefor.

None of the Issuer, the Trustee and the Dealers represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

With regard to each Tranche, the relevant Dealer will be required to comply with such other restrictions as the Issuer and the relevant Dealer shall agree and as shall be set out in the applicable Final Terms.

The auditors' report on the Issuer in respect of the financial year ended 30th September, 2006 states that the report is made solely to the Issuer's members, as a body, in accordance with Section 193 of the Companies Act 1990, that the audit report has been undertaken so that Ernst & Young might state to the Issuer's members those matters which Ernst & Young are required to state to them in an Auditors' report and for no other purpose and that to the fullest extent permitted by law, Ernst & Young do not accept or assume responsibility to anyone other than the Issuer and the Issuer's members as a body for their audit work, for the Auditors' report or for the opinions Ernst & Young have formed.
