Tax Redemption If Bombardier is, or there is a more than insubstantial risk that Bombardier will be, required to pay additional amounts as a result of changes in laws applicable to tax-related withholdings or deductions in respect of payments on either series of Notes, Bombardier will have the option to redeem such series of Notes, in whole but not in part, at a redemption price equal to 100% of the aggregate principal amount of the Notes of such series, plus accrued and unpaid interest, if any, to the date of redemption and any additional amounts that may then be payable.
